

Anniston Runners Club

2025 Sponsorship Opportunities

www.annistonrunners.com

Club History: The Anniston Runners Club was founded in 1980 when a group of Anniston businessmen, who ran together each Sunday afternoon for fitness, decided to form a running club. After a Sunday run, they met at one of their homes and drafted the bylaws. One of their first member meetings was at Golden Springs Community Center with Dr. Charles Veale speaking on health and fitness. Over the following three years, the club began to grow to 180 members that consisted of doctors, lawyers, bankers, insurance agents, Mayor Norwood Hodges, teachers, and others. The name Anniston Runners Club (ARC) was chosen.

At the time the ARC was formed, the *Anniston Star* sponsored the largest local foot race held in Anniston, the Midsummer Morn 5K. This race was held in conjunction with the Alabama Shakespeare Festival and the ARC helped with the coordination of the event. When the Shakespeare Festival moved to Montgomery in 1986, the ARC and the Star agreed that the ARC would adopt the race. Since the race was held on Woodstock Avenue, it was renamed the Woodstock 5K.

The Woodstock 5K was designated by the Calhoun County Historic Preservation Committee and the City of Anniston in 2013. The city funded the production and erection of two beautiful historic markers for the start and finish of our largest race. While our club is named “Anniston” Runners Club, it is by no means exclusively an Anniston club, or even just a Calhoun County entity.

The Club hosts a total of four annual races and when runners compete in all four, they are eligible for the Fab Four Series. Other races include the Half-Naked ½ and ¼ Marathon in January around the beautiful Ft. McClellan, the Canyon Climb 5-Miler with scenic views of Anniston, and the Plucked Turkey 10K in the Golden Springs neighborhood.

Mission Statement: The Anniston Runners Club (ARC) is committed to promoting, encouraging, and fostering the love of running. We strive to promote the healthy benefits of running and mentor new runners.

Non-Profit Status: Anniston Runners Club is granted 501(c)(3) status through our membership in the Road Runners Club of America. Donations, contributions, and sponsorship of our club are tax deductible.

2025 Executive Board of Officers

President	Ashley Nash
Vice-President	Jennifer Watwood
Treasurer	Hayley Long
Secretary	Karla McCaffrey
Woodstock Race Director	Hayley Long
Member-at-Large	Michael Boling
Past-President	Sherry Williams

2025 Administrative Coordinators

Calendar Coordinator	Dennis Dunn
Sponsorship Coordinator	AJ Long
Webmaster	AJ Long
Membership Coordinator	Michael Boling
Newsletter Coordinator	Ashley Nash

2025 Program Coordinators

Group Run Coordinator	Allison Miles
Equipment Manager	Becki Jones
Running Mileage Coordinator	Becki Jones
Trail Running Coordinator	Robert Powers
Volunteer Coordinator	Leah Helton
Women's Running Coordinator	Bobbie Williams
Youth Running Coordinator	Karla McCaffrey

Events: Anniston Runners Club (ARC) hosts six running events and supports The Fab Four Challenge Series.

Meetings: ARC holds monthly officer meetings to organize upcoming events and member meetings and social events. ARC hosts an Annual Banquet to celebrate a successful year, to honor winners of the Challenge Series, Mile-a-Day Club (MAD), and the 1200 Mile Club and other mileage awards, to recognize other accomplishments, and to announce the election of officers for the year.

Divisions: To serve the needs of our membership, the club has a variety of divisions including (all of which are free):

Youth Running – We offer an exciting program geared to elementary-age children designed to motivate them to enjoy the physical benefits of running and walking.

Trail Running Division – We hold a variety of trail-training options, and support and volunteer for local trail events, such as the Pinhoti 100 and Chief Ladiga 100.

Women's Running Division – Women's running focuses on protection, training, and injury/nutrition education, through events like workshops.

EVENTS

January Half Naked Marathon: ARC hosts an annual half/quarter marathon at Fort McClellan on the morning of our Annual Banquet. We are in search of a major sponsor partner for this race.

January Annual Banquet: ARC's annual banquet is in January each year. Club awards are presented and elected officers are installed.

March Canyon Climb: The Canyon Climb 8K is held in March, partnered with Regional Medical Center, to host a challenging hill race in scenic Anniston neighborhoods.

Remembrance Run: The Saturday before our Woodstock 5K, we hold a training run designed to remember and honor those whom we love and/or have lost.

August Woodstock 5K and Kidstock 1K: Since 1981, the Woodstock 5K has been ARC's signature race. The course starts at Anniston High School and winds its way through the historic Woodstock neighborhood. It has been a Championship Race of the Road Runners Club of America 18 times. We are in search of a platinum Woodstock race partner, who will be the "presenter" in the race title.

October Halloween Scavenger Hunt: The week before Halloween, we hold a free event, open to the public: our scavenger hunt in Fort McClellan where runners solve clues and run from location to location.

November Plucked Turkey 10K:

On Thanksgiving morning, runners participate in a 10K race. Over 150 runners participate each year. Awards of smoked turkeys and pies are presented. Partnered with the YMCA of Calhoun County, proceeds go to Regional Medical Center and the YMCA.

December Christmas Tree Run:

On the Saturday before Christmas Eve, the club hosts a free event running through Fort McClellan on a route that resembles the shape of a Christmas tree. Attendance is free, with no registrations, and is an open community event.

Challenge Series Events:

ARC supports a Challenge Series, the Fab Four. The series consists of four ARC premier races. After the season is completed, ARC honors the overall top 3 winning male and female competitors at the ARC banquet. Everyone who completes the series receives a t-shirt.

2025 Sponsorship Opportunities
